

FORMULA 1 2019 ABU DHABI GRAND PRIX

YAS MARINA ABU DHABI

In a city that lives for nightlife, Abu Dhabi is a mirage come to life as a city surrounded by sand, sea and the sun.

The capital of the United Arab Emirates is known as the 'Land of the Gazelle' in Arabic and has been transformed into this modern, cosmopolitan city known for its high rises and crystal blue waters.

Abu Dhabi holds tight to its high-end lifestyle with shopping being a national pastime because it's so diverse. With high end stores such as Hermès and Louis Vuitton, shopping is in modern malls compared to traditional marketplaces. Abu Dhabi is also home to many souks, which means 'marketplace' in Arabic. The traditional souks usually revolve around themes such as the Carpet Souk which is home to Yemeni mattresses and carpets, or the Souk Al Zararana, which holds any number of items such as incenses, henna, or traditional garments.

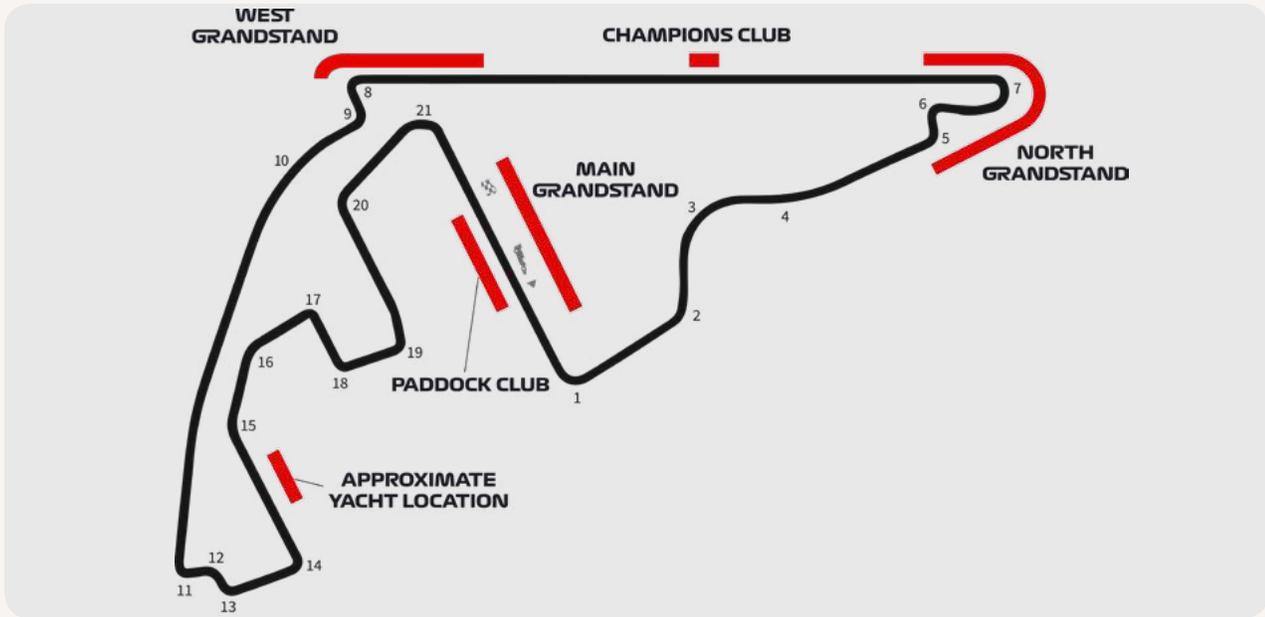

Attend the 2019 Abu Dhabi Grand Prix at Yas Marina Circuit with F1 Experiences, The Official Experience, Hospitality & Travel Programme of Formula 1, with access including driver meet-and-greets, Exclusive Pit Lane Walks and more!

MARK WEBBER

Born in New South Wales on August 27th, 1976, Mark Webber is a nine-time Formula 1® Grand Prix winner and an FIA World Endurance Champion.

Following a successful run in karting and Formula Ford in his native Australia, Webber knew that if he wanted to realise his dream of F1®, he had to leave his home soil and move to Europe.

He competed in British Formula Ford, Formula 3, Sports-cars and then Formula 3000 where his good results and pace landed him an F1 test drive with Benetton. Mark made his F1 debut with Minardi in 2002, where in a race full of attrition, he managed to hang on in there and grabbed fifth place at the flag, scoring the team's first points in three years. His ability to push a car beyond its limits opened the door for him to sign with the newly-rejuvenated Jaguar Racing team and subsequently Williams F1.

After moving to Red Bull Racing in 2007, Mark took his first F1 win in the 2009 German Grand Prix, which he described as the proudest moment of his career. Throughout his 12 years in F1, Mark notched up 215 races, nine victories – most notably becoming a double winner of both the prestigious Monaco and British Grands Prix – and accumulated an impressive tally of 42 podium finishes, 13 pole positions and 19 fastest laps. He also helped Red Bull Racing to four consecutive Constructors' World Championships.

ALAIN PROST

Born in New South Wales on August 27th, 1976, Mark Webber is a nine-time Formula 1® Grand Prix winner and an FIA World Endurance Champion.

Aptly nicknamed "The Professor" due to his cerebral approach to racing, Prost is one of the greatest drivers ever to grace the sport of Formula 1®. A winner of four World Championships (1985, 1986, 1989, 1993), Prost made winning races look easy - 51 times to be exact. A career that was embroiled (and on occasions acrimoniously) in a long-standing battle with Ayrton Senna, only Juan Manuel Fangio and Michael Schumacher have won more world titles. Prost's first win came in a French car, for Renault at the French Grand Prix. Claiming nine victories in his first three seasons with Renault, Prost moved to McLaren in 1984 in a move which proved fruitful.

In his six seasons with McLaren, Alain Prost won 30 races and three driving titles and was runner-up twice. 1988 saw Prost contribute seven wins to his McLaren-Honda team's one-sided season total of 15 victories from 16 races. However, his brilliant new team mate Ayrton Senna won eight races and the driving title. From here, the sensational rivalry that conspired to push two of the sport's greatest drivers to unprecedented heights of success and controversy began. Prost would go on to claim a further title in 1989 in controversial circumstances at Suzuka, before joining Ferrari ahead of the 1990 season. Following a sabbatical in 1992, Prost re-joined the F1® grid with Williams-Renault, where he claimed his fourth and final driving title in 1993. Presently, Prost works in an advisory role for the Renault team.
