THE VIP PASS GIVES YOU ALL

Hospitality Options

MotoGP VIP Village™ gives your company cutting edge services when it comes to doing business and provides an adrenaline-fuelled and exciting environment in which to entertain your customers.

Choose from the two different Hospitality Options and get the best solution to suit specific corporate business needs or individual requirements.

Hospitality Options

MotoGP Lounge

The setting of this area is always available and perfectly located within the MotoGP VIP Village™, encouraging guests to interact in an open environment.

It is an excellent location for socialising, networking and hosting business meetings.

A **CORPORATE TABLE** is provided to groups of minimum 10 guests designated with the logo of the company.

This Hospitality Option is the ideal set for individual clients or small corporate groups of less than 60 guests.

Hospitality Options

Corporate Area

The comfort and convenience of the corporate area makes it a perfect place for your brand recognition.

The Corporate Area is a private dedicated space within the VIP Facilities, perfect for hosting your company event and completely customisable according your brand identity and corporate needs.

A Personalization Services Solution is at your disposal to ensure your Corporate Area appears exactly as your event requires.

A Corporate Area is provided for groups of at least 60 people.
