THE MIRAZUR CHEF'S EXPERIENCE

MITRON BAKERY VISIT

We will pick you up at your hotel and drive you to the coastal town of Menton, a scenic 45-minute drive from Monaco. You will arrive at the Mitron bakery at the heart of Menton's old town. Mauro Colagreco, Mirazur's chef will be waiting here for you. You will meet your fellow guests during this extraordinary experience - an exclusive group of 12 guests in total.

At the bakery let yourself be guided by Chef Mauro and Roland Feuillas, miller and farmer-baker in the nearby village of Cucagnan: you will discover peasant flour, made from old grains such as Le Barbu du Roussillon, and discover the story behind Mauro's collaboration with Roland. Enjoy a coffee on the way out and explore with us the old town and food market of Menton before heading to the restaurant.

THE MIRAZUR CHEF'S EXPERIENCE

ROSMARINO GARDEN VISIT

The chief gardener will welcome you to the restaurant's vegetable gardens. During your visit you will discover the marvelous products that inspire the cuisine of Mirazur. The gardens are located only 300m away from Mirazur restaurant and a dedicated electric golf cart will be at your disposal.

From the Rosmarino Gardens we'll head up to the Mirazur restaurant together.

Comfortable shoes are recommended. Garden visit subject to weather conditions.

THE MIRAZUR CHEF'S EXPERIENCE

Finally, you will be seated at La Puerta's floating table – the restaurant's private dining space one level below the Mirazur restaurant, which boasts spectacular views across the Mediterranean Sea.

Sit down and relax with your fellow guests and begin to enjoy this immersive culinary journey with a glass of Champagne.
