

OFFICIAL HOSPITALITY PROGRAM

INTRODUCTION

Six of the best men's tennis players from Europe will take on six of their counterparts from the rest of the World at the TD Garden in Boston.

The tournament, now in its fourth year, is named in honor of Australian tennis legend Rod Laver, the only man to win two calendar-year Grand Slams, and one of the greatest players of all time.

The unique format of the tournament showcases tennis superstars competing on the same team, playing singles, pairing up in doubles and cheering each other on from the sidelines. The Laver Cup has captured the imagination of the sporting world and is a must-see event in the tennis calendar.
