CHEF'S TRAVEL
FINE DINING JET SET

AN EXCLUSIVE EXPERIENCE WITH THE WORLD'S BEST CHEF

We invite you to spend an unforgettable day at the Mirazur restaurant in Menton.

You will embark on a truly exclusive and unique gastronomic and sensorial experience at the world's best restaurant* with MAURO COLAGRECO himself. The chef will share his cooking philosophy and prepare your meal from La Puerta's open laboratory kitchen.

**MAURO COLAGRECO was awarded his third Michelin star and achieved the first place in the World's 50 Best Restaurants in 2019*

“MITRON BAKERY” VISIT

In the morning, our team will meet you at your hotel and take you to the coastal town of Menton, a half-hour scenic drive from Monaco.

At the heart of Menton’s old town, MAURO COLAGRECO will welcome you at the artisan bakery Mitron. Here, you will meet your fellow guests during this extraordinary experience - an exclusive group of 12 gourmands.

At the joint breakfast, you will discover the taste of the chef’s delicious pastries paired with his selected South American coffee composition. Meanwhile, he will introduce you to the French craft flour made from old grains of *Le Barbu du Roussillon*, and reveal his experiences as a student of ROLAND FEUILLAS, the most inspiring French *maître boulanger* of his generation.

Eventually, the chef will invite you to explore the old town and the food market of Menton before heading to the restaurant.

ROSMARINO GARDEN VISIT

Chef Mauro will direct you towards the restaurant's vegetable gardens, where chief gardener JOSE IGNACIO DI GREGORIO will guide you through the marvelous 3-hectare Mirazur gardens. Here, aromatic herbs, fruits and vegetables, as well as more than 30 types of citrus fruits are cultivated according to the principles of biodynamic agriculture.

Afterwards, we will head up to the Mirazur restaurant altogether.

The gardens are located only 300m away from Mirazur restaurant and a dedicated electric golf cart will be at your disposal.

Comfortable shoes are recommended. Garden visit subject to weather conditions.

WALK-IN WINE CELLAR & WELCOME CHAMPAGNE

Upon arrival, sommelier MAGALI PICHERIE will open the restaurant's walk-in wine cellar for you. Here, you will be introduced to Mirazur's exclusive wine selection.

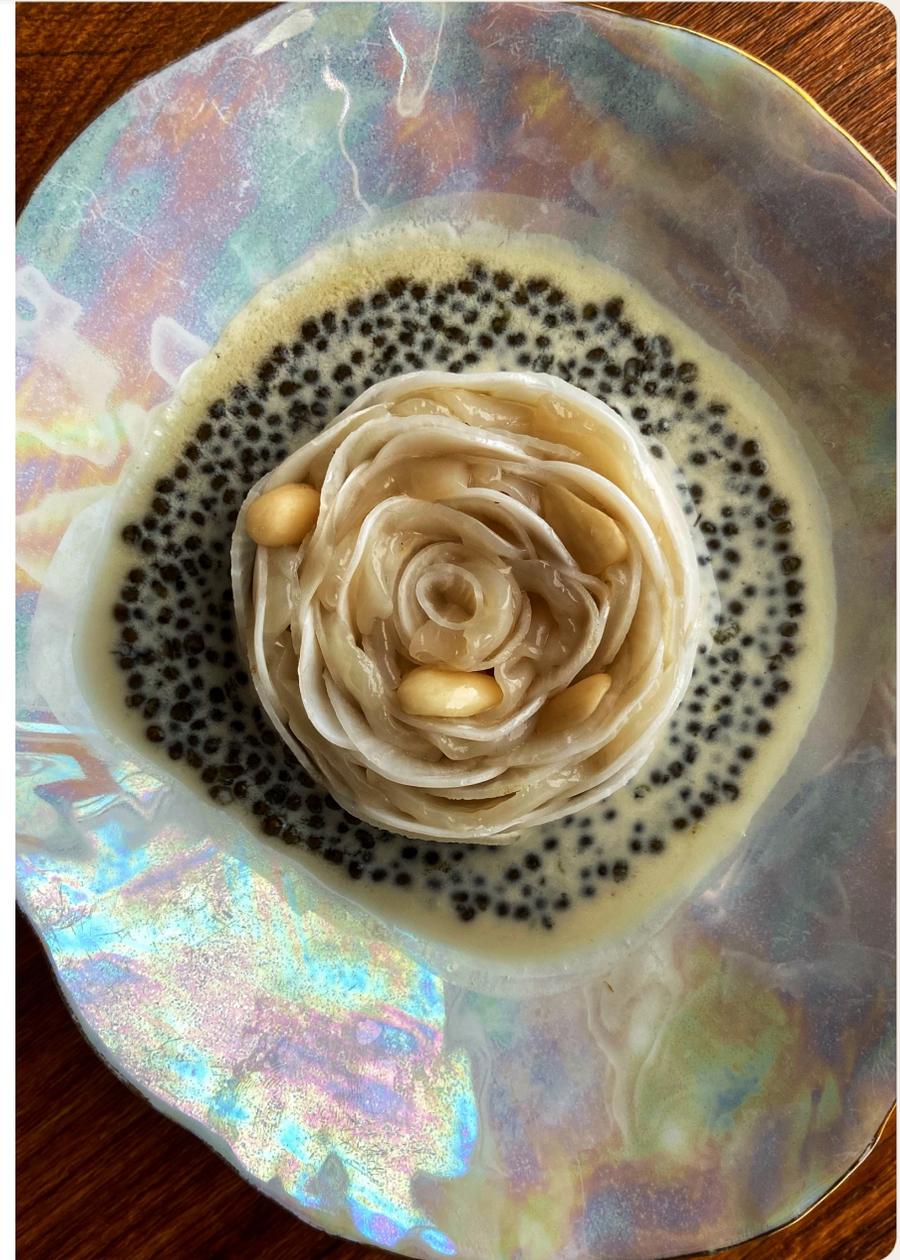

Finally, you will be seated at La Puerta's open kitchen – the restaurant's private dining space one level below the Mirazur – and enjoy a spectacular view across the Mediterranean Sea.

LUNCH: A CULINARY JOURNEY

The open kitchen will allow you to fully experience MAURO COLAGRECO's culinary creations by observing his personal cooking and plating while he guides you through every step of your menu.

Enjoy Mirazur's signature menu '**FROM THE MOON TO THE PLATE**' - a 9-course menu including fine wine pairing and an exquisite selection of cheese which you can enjoy at your leisure. As souvenir, you will receive your personal copy of *Mirazur*, the book about the restaurant's creation, signed by its chef.

OPTIONAL: PLANTING A FRUIT TREE

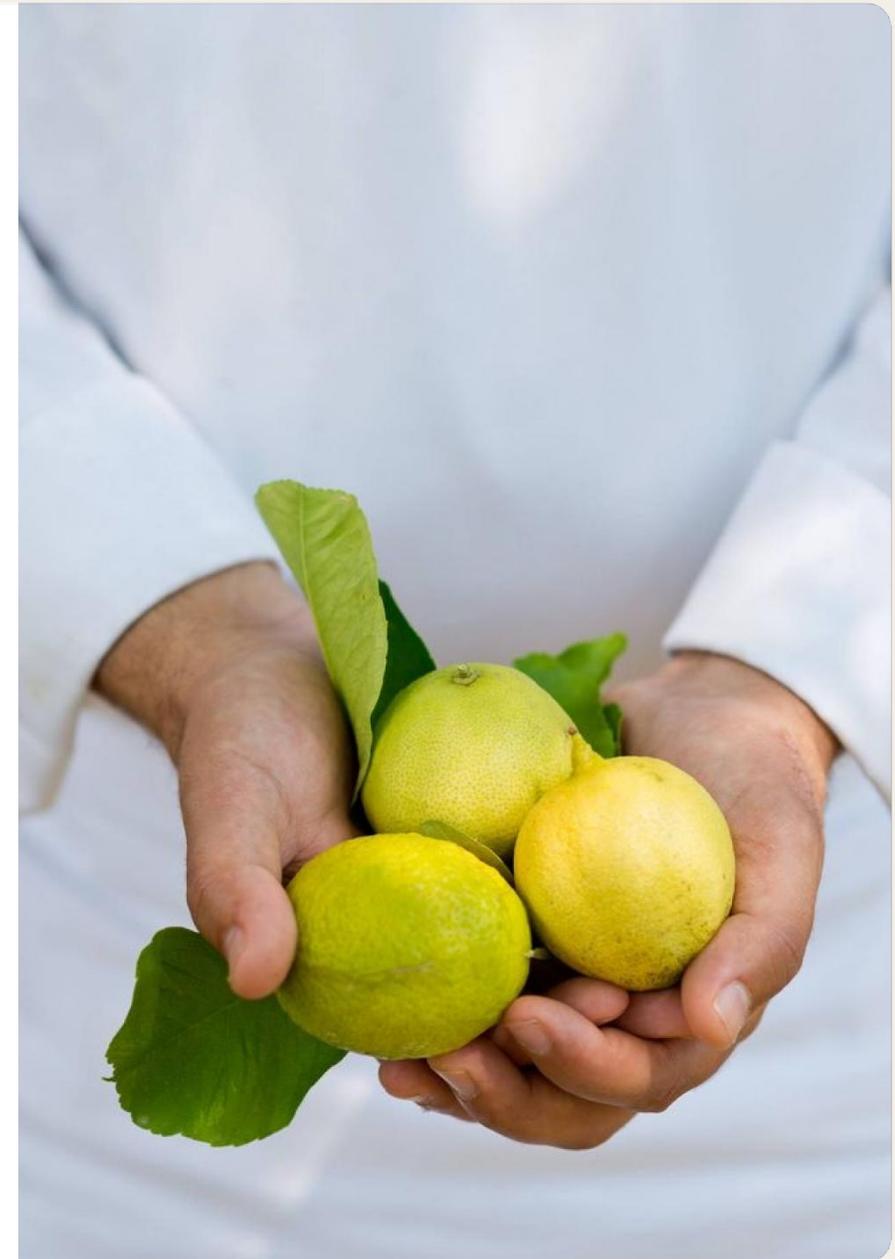

Before returning to your hotel, you will have the opportunity to plant a fruit tree at the Mirazur garden in the colours of the French Riviera.

You will choose the seeds which will be planted by the gardeners at the end of winter. Your fruit tree will have a personalized plaque engraved with your name to show support for the chef's forest protection and biodiversity project.

OPTIONAL: BOTANICAL GARDENS

Look back at your experience at the Mirazur with your fellow guests during a final stroll through Menton's famous botanical gardens.

Afterwards, our chauffeurs will ensure a comfortable return to your hotel.
