

STEP INTO THE UNFORGETTABLE

Olympic Games Paris 2024

From July 26 to August 11

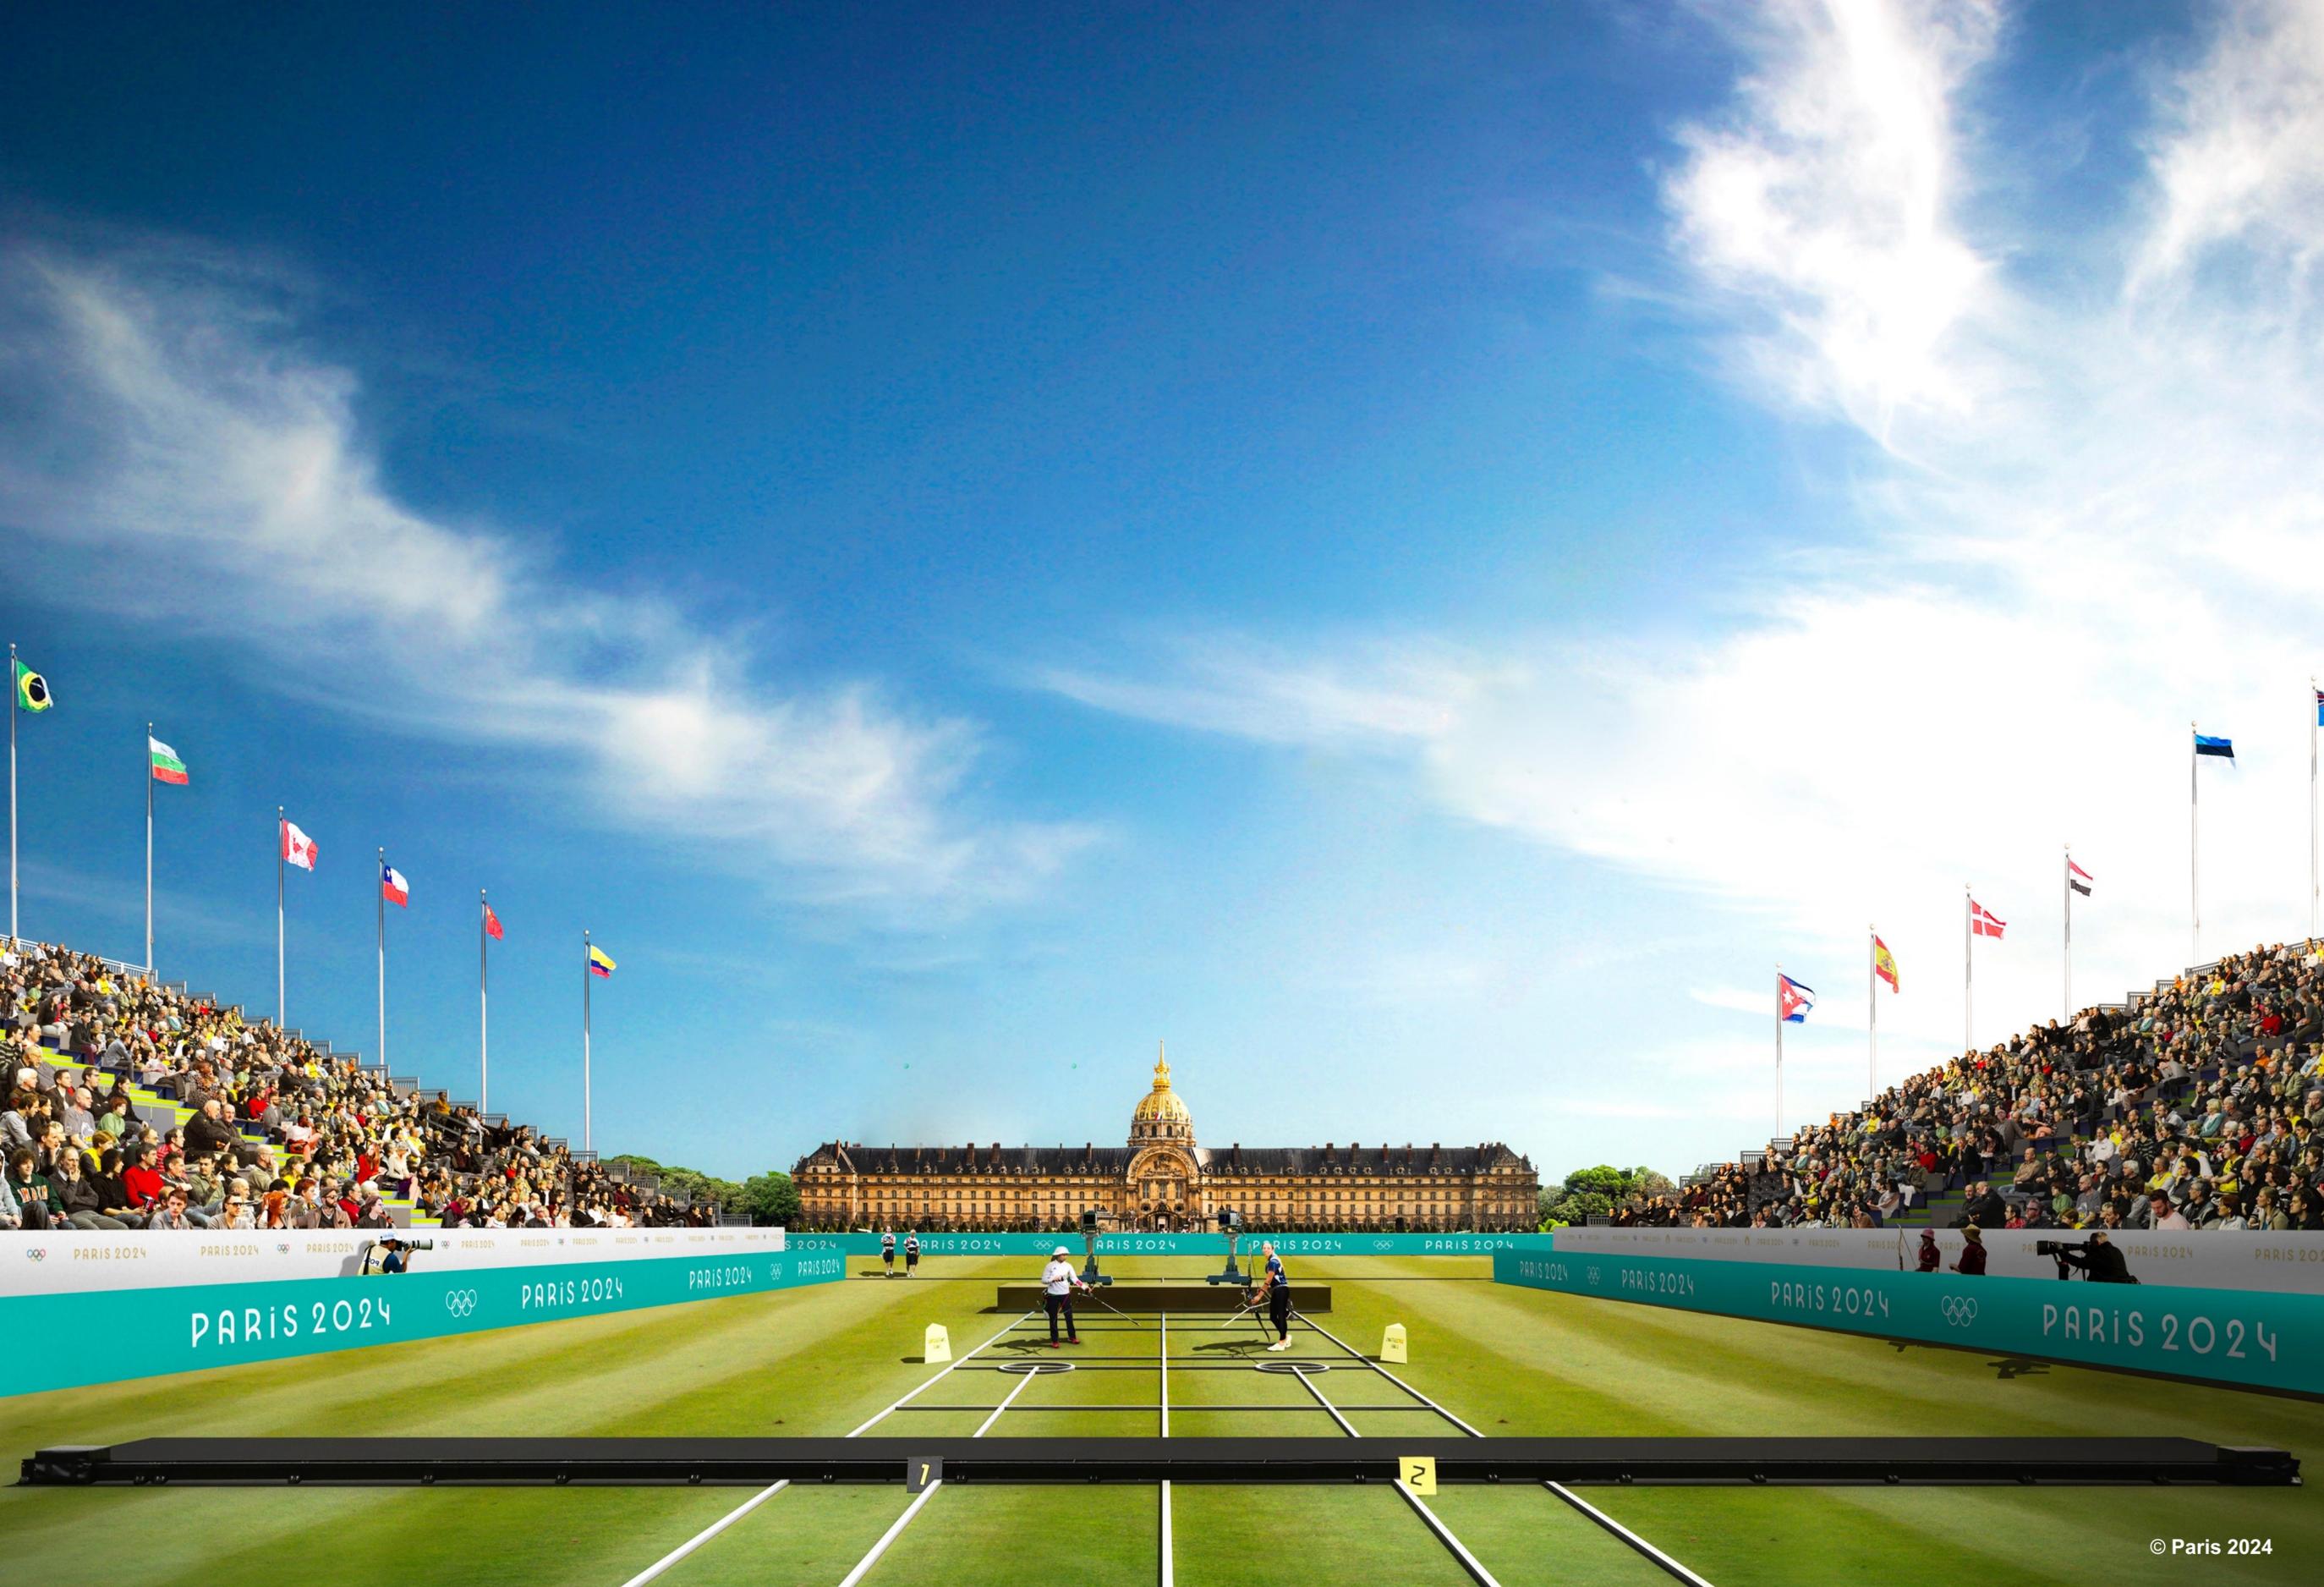

OCOG Président
Tony Estanguet

Paris 2024 will be the first Organising Committee for the Olympic and Paralympic Games to develop its hospitality offer on a global scale. By creating new offers, we will be keen to highlight the French art of living, gastronomy, culture, art, sport and innovation that will be part of the magnificent setting of the City of Light, while respecting the DNA of our project in terms of heritage.

We've never needed
the Olympic spirit more

PARIS 2024

THE OLYMPIC GAMES PARIS 2024

The opportunity of a lifetime

Inclusive, sustainable and accessible to all, the Olympic and Paralympic Games Paris 2024 will be the largest event ever organized in France.

More than 10,500 athletes from 206 National Olympic Committees will gather from July 26 to August 11, 2024, making Paris the center of the world.

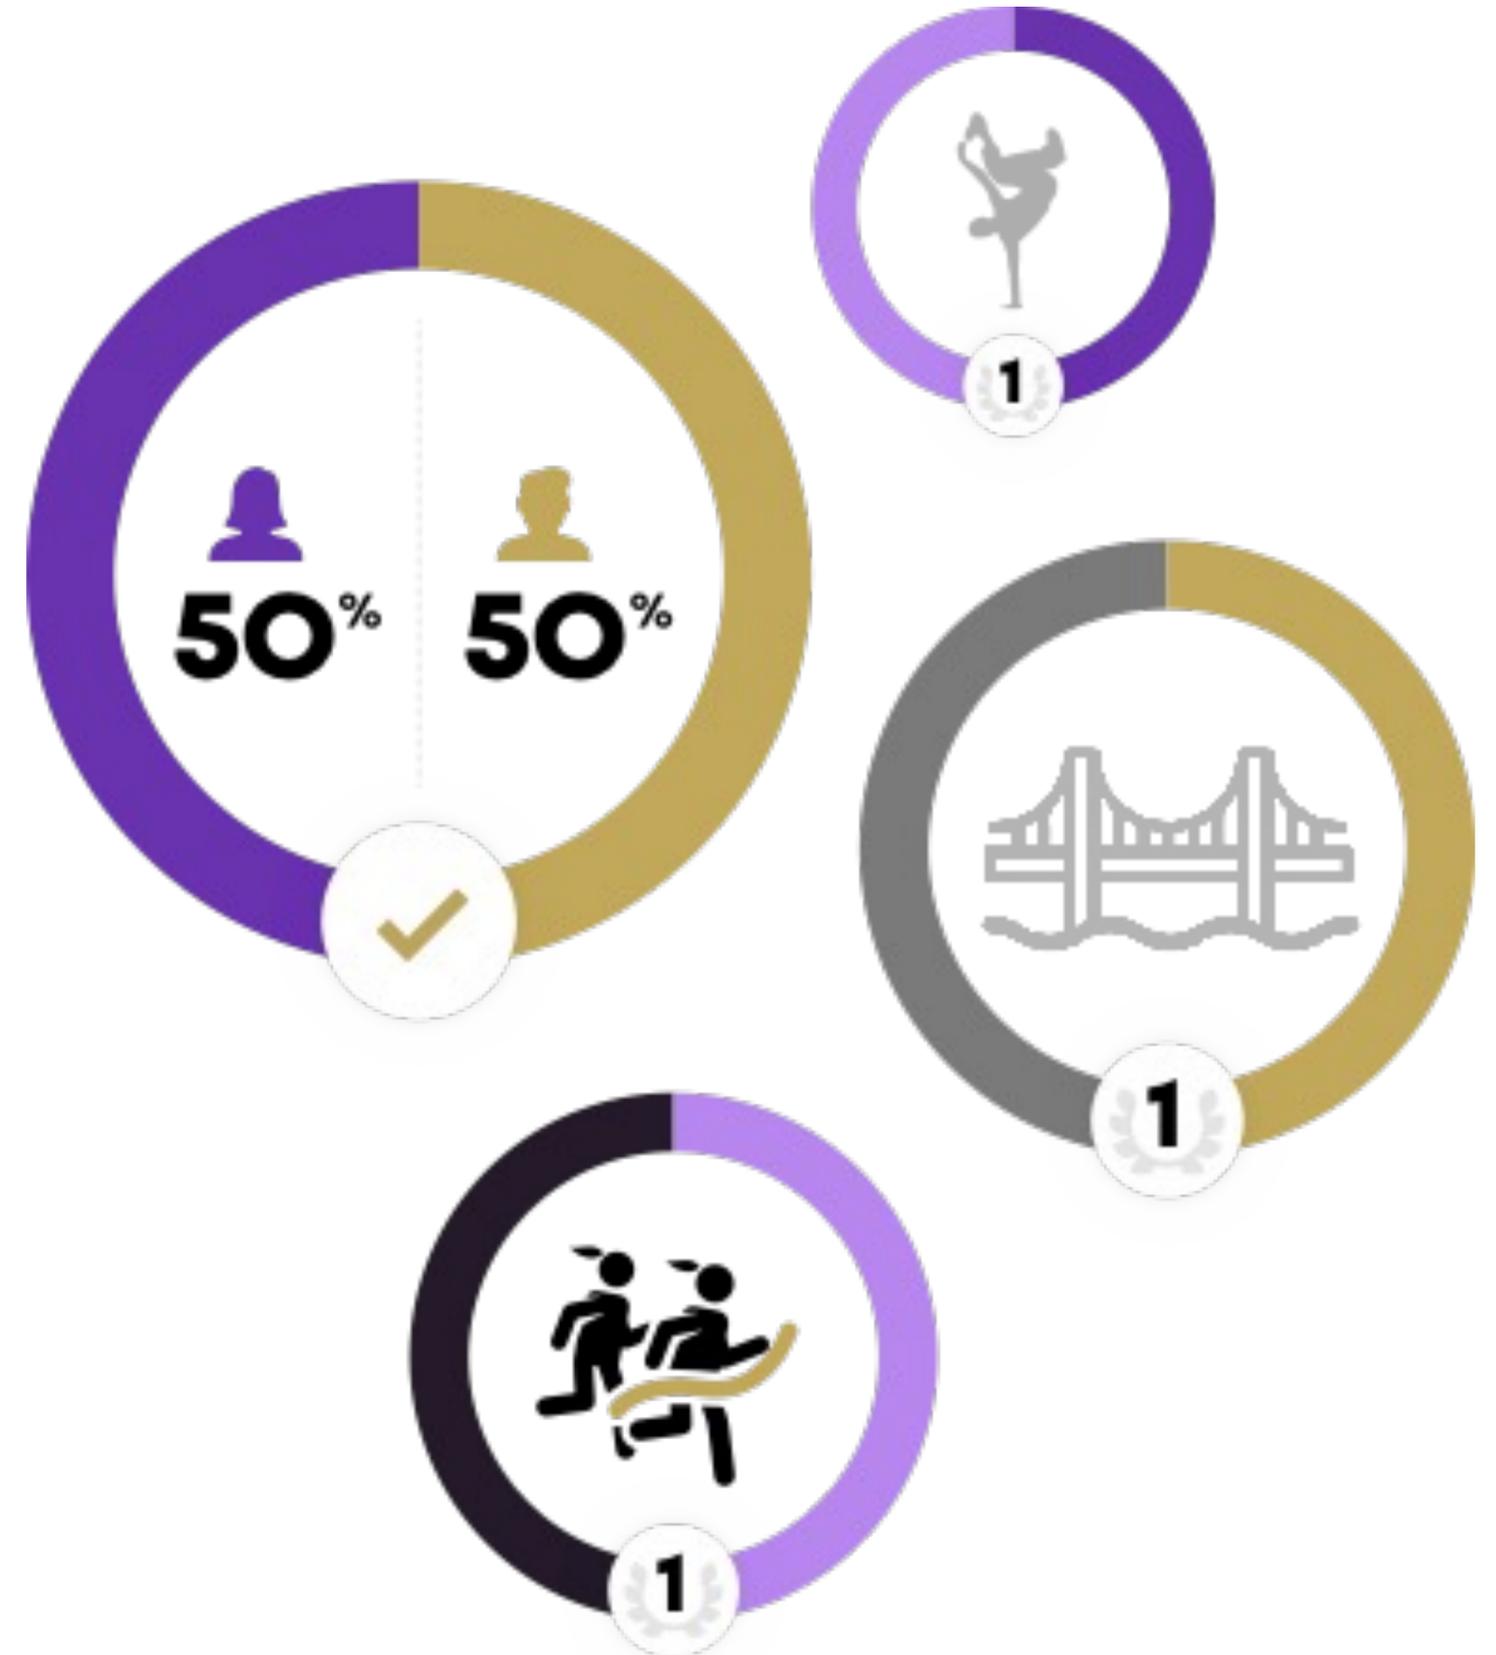

With sport competitions scheduled in the most emblematic monuments of the capital and places known throughout the world, these Olympic Games will mark the memory of all those to attend.

Because the world has changed, Paris 2024 will be the first Olympic Games to offer a new hospitality model, a deliberately modern and differentiated approach to hosting. This event is intended to be festive, multicultural and popular - a moment of great global sharing. For those who will come to experience them on site, they will also be the dawn of a new way of traveling and experiencing first-class hospitality.

PARIS FIRST

- ✓ The first Olympic Games to achieve a 50-50 split between male and female athletes, vs Rio 2016 (47.5% female), Tokyo 2020 (48.8% female).
- ✓ The first time an Opening Ceremony will not be held in a stadium.
- ✓ The first time the majority of sports will have a hospitality experience.
- ✓ The first time breakdance will feature as an Olympic sport.
- ✓ The first time since it was added in 1984, the Woman's marathon will close the Athletics program instead of the tradition of the Men's marathon closing the program.

THE VISION
FOR THE OLYMPIC
GAMES PARIS 2024

Paris

Like you have
never seen it
before

A vibrant, high-angle illustration of the Paris 2024 Olympic Games opening ceremony. The scene is set on the banks of a wide river, likely the Seine, with numerous boats carrying athletes from various countries. The boats are decorated with national flags and the Paris 2024 Olympic logo. In the background, modern city buildings are visible, with one prominent building featuring a large green facade with the Paris 2024 logo. The sky is a clear, bright blue. Two large flags, the French flag on the left and the Norwegian flag on the right, are prominently displayed in the foreground, framing the central text. The overall atmosphere is festive and celebratory.
